DEDICATION

At the top of the list of those to whom we should render the greatest honor are our parents. No others with whom we have been associated have given so much and received so little in return. Our parents know us as we really are, and yet they continue to love us and to work for us so devotedly and unselfishly. The loyalty and devotion of one's parents become the chief stone in the foundation of every person's life. By their faith in us, they have strengthened our faith in ourselves. The time they have devoted to us and their untiring interest has been limitless, and their wisdom and integrity have furnished us an example to make us strive to become better in our own right. Wishing to pay them the highest tribute in our power, we, the Coyote Staff, dedicate the 1960 annual to all parents who want only the best for their own and for others.

OUR THEME

Since our school song, "Hail to Our Colors," is indicative of our school life, we, the 1960 Coyote Staff, have chosen this song as our theme. The opening line, "Hail to our colors," not only relates to the red and black of our banner; but it also signifies the pride each member of Wichita Falls Senior High feels each time his school is mentioned. We have made the second line of our song, "Hail to our school," an introduction to the administration section because of the faculty's devotion to WFSH. Had it not been for their interest and guidance, our school would not have as high standing as it has today.

Both of these lines, "We'll back you forever, That is our rule, together," have been used before the class section because we feel that the classes, as a whole, work together to back our school in whatever activity it may attempt. If it were not for this cooperation in our school, it could not have obtained the prominence that we now prize. The line, "Onward to victory," almost speaks for itself. This year WFSH has been recognized in almost every activity and scholastic event. We have had such successes because it is the spirit of each individual in our school to do his best.

We have introduced the honors section with the line, "Onward to fame," because through the efforts of the faculty and students our school and its individual members are rapidly approaching that goal—fame and success. We chose the line, "In winning or losing," to represent our sports division because that phrase portrays the sportsmanship of our competition. No matter what sport we participate in or what the outcome of the game is, our athletes and our students as a whole handle themselves in a sportsmanlike manner. This line of the song, "We'll honor your name," not only is the closing line of the song but also closes our book with the autograph section.

We, the Coyote Staff, sincerely hope that all enjoy the 1960 Coyote and relive many experiences through its pages.

ADMINISTRATION

.... Hail to our school

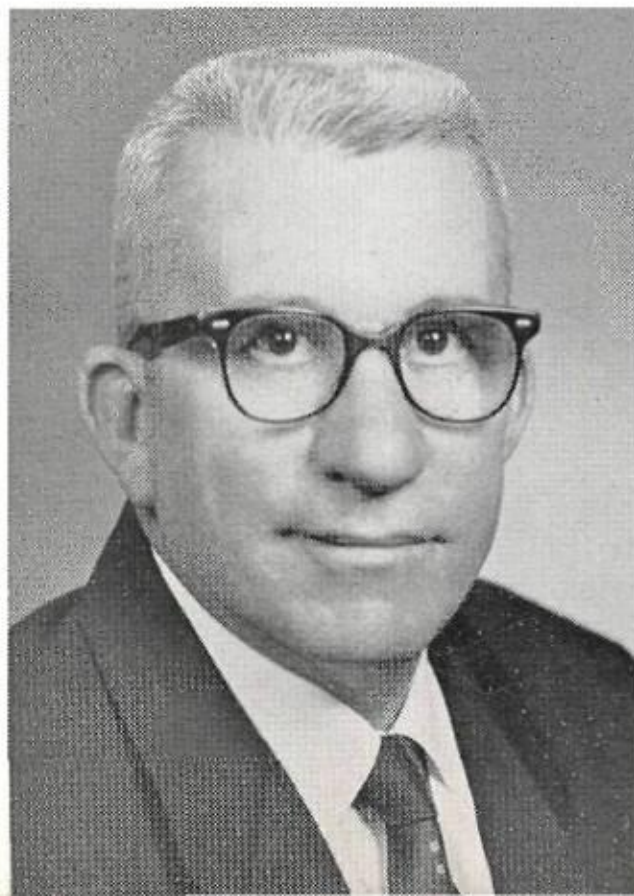

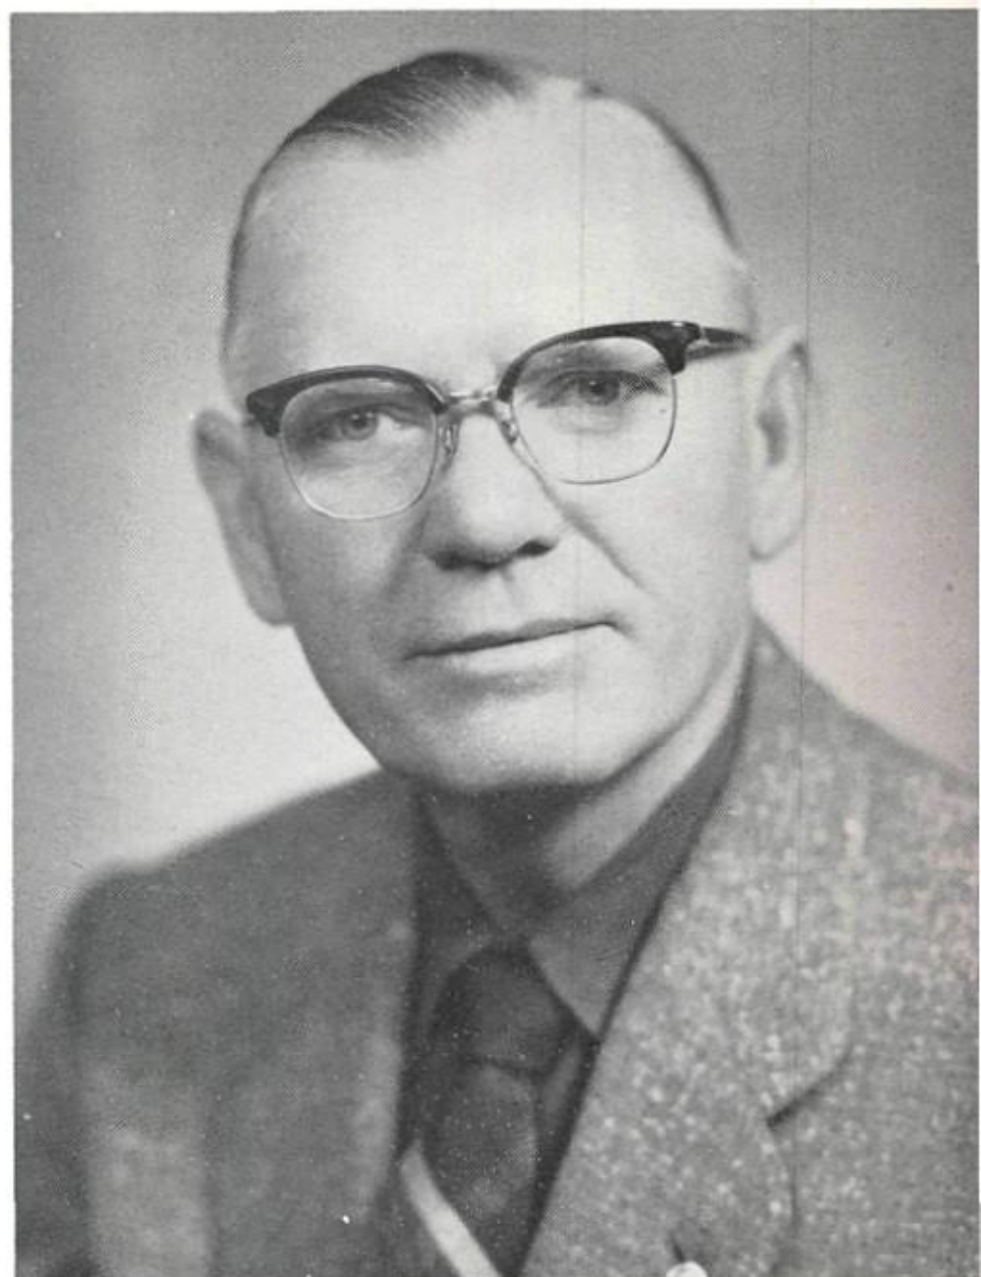

The seven members of the Board of Education give generously of their time and efforts to provide better school for the education of every student in the Wichita Falls independent school district. From left to right are Mr. Floyd Randel, president; Mr. John Wolf, secretary; Dr. William L. Powers; Mr. Rufus King; Mrs. Larry J. Downing; Mr. Charles Prothro, vice president; Mr. Clyde Fillmore.

"Hail to our school . . ." The significance of these words is lost forever if there is a failure to recognize the fine work of those who operate WFSH. Under the direction of these guides, the school is run smoothly and efficiently. Each day tardies and absentees are checked by Mrs. A. D. Neal. Mrs. H. L. Bear manages the sales and transcripts. In addition to serving as secretary to the principal, Mrs. P. O. Parish is in charge of accounts in the office.

The guidance director, Mr. Curtis A. Siebenthall, heads the audio-visual program and also trains girls in proper office

procedures. Helping a student who has a problem concerning his school work or advising seniors in choosing a suitable college or vocation are just the beginnings of the numerous services done by the deans, Mr. A. D. Neal and Miss Helen Grace Gould. Through their helpfulness and kindness, they have become the friends of all at WFSH. This year for the first time there is an assistant dean of boys, Mr. Joe K. Reed, who assists Mr. Neal in his duties and helps to keep the attendance records of the school.

ENGLISH

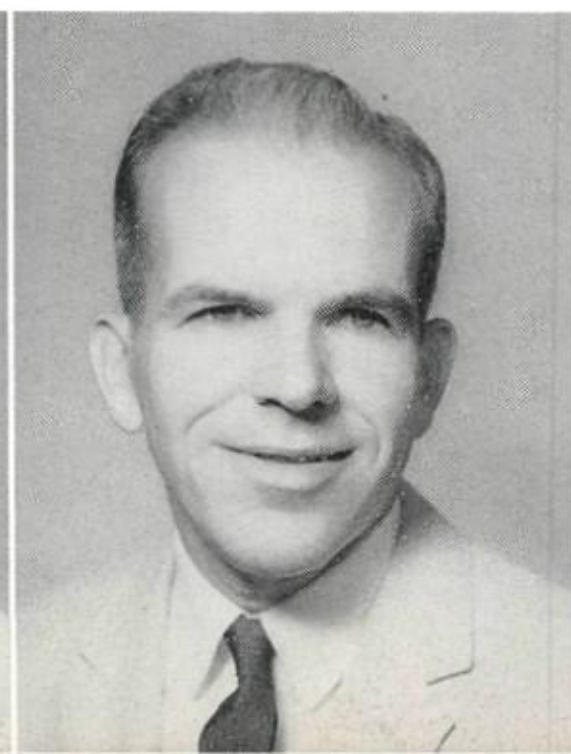

Through his years in high school, the student profits from a well planned program of literature and grammar, provided by the Department of English. Through the study of literature, the student comes in contact with the thoughts of great authors, gains a knowledge of the types of literature, and evaluates ideas that influence life today. In addition, a well rounded grammar course presents the mechanics of written communication and provides practice through themes, book reports and research papers. As a service to the school, The Department of English sponsors *The Coyote News* and *Teen Times* and edits copy for *The Coyote*. The accomplishments of this department continually add to the praise received by Wichita Falls Senior High.

MATHEMATICS

Although advanced courses often receive most of the recognition, every student can be proud of his achievements in mathematics. Knowledge of reasoning and calculation prepares the student for life in today's world. This department provides every student in WFSH with training in algebra, geometry or arithmetic. Solid geometry, trigonometry, slide rule, analytic geometry and calculus are offered to students desiring further study. Extended this year through two semesters, the advanced mathematics course presents a comprehensive study of analytic geometry and calculus as preparation for possible advanced college placement.

The principles of parallel lines are demonstrated by a plane geometry student.

SCIENCE

Current emphasis on scientific development places the science department under constant observation and provides it with an opportunity to reflect credit upon WFSH. Science courses answer many questions that arise through a student's interest in his surroundings. Biology presents a careful inspection of living organisms which affect everyone. Chemistry teaches methods of research and experimentation through analysis of many elements and compounds. In physics, a study of basic laws of the universe leads to an understanding of natural phenomena. Training in science gives each student a broader concept of the world around him.

HOME ECONOMICS

A course that gives students good reason to bestow praise upon Wichita Falls Senior High is homemaking. Girls in this course can look back with satisfaction to the skills that they learned in home economics. The young homemakers practice modern, wholesome methods of planning and preparing meals as well as learning the concepts of sewing practical, attractive clothing. They share their skill by serving refreshments and meals for a variety of teas and luncheons. The knowledge and practice gained in this course prepares each of its students for a successful home-making career.

FRENCH AND GERMAN

French and German were offered this year for the first time at WFSH. Under the direction of Miss Kathleen Melat and Mrs. Sue Sax, students strive to acquire a speaking knowledge of the languages as well as an understanding of the contributions of the languages to the modern world. The goal of these new departments is to adapt the teaching of French and German to the needs of students in order that they may be able to lead more profitable lives in a world where the distance between countries is ever decreasing.

LATIN

In numerous ways a student profits from his study of Latin. He acquires a basis for the study of many other languages, which will be of value for him in the advancement of his education. Latin is of great assistance to the student as a supplement in his study of English. For those who plan to enter the field of medicine, science or law, Latin is indispensable.

SPANISH

"Saludos a nuestra escuela!" In addition to learning to read and write Spanish correctly, more than 400 students gain a practical, everyday speaking knowledge of the language, as well as a background in the history and customs of their Latin-American neighbors.

Members of the Spanish Club often gain statewide recognition for WFSH through their social welfare work in the community. The annual state convention in Austin provides strenuous competition and a chance to become better citizens.

LIBRARY

Snider Library is a great asset to the education of students in WFSH. Experience in research opens a vast amount of knowledge to any student. The facilities of Snider Library have expanded this year through the addition of fifty-four volumes entitled *The Great Books of the World*, donated by nine generous Wichitans. Each year Mrs. C. W. Snider renews fifty-six magazines and ten newspapers as a gift to the library.

SOCIAL STUDIES

To understand this present world, a modern student must examine the past. The social studies department of WFSH strives to give this knowledge to everyone. Such a foundation comes through world history, where he surveys the development of civilization to the present day. Adding to this knowledge, American and Texas history help the student to understand the democratic principles upon which this country was built. Civics completes the foundation by demonstrating how these principles are being applied through the complex operations of government. Through excellent instruction and such aids as films, maps and charts, each one can acquire a genuine appreciation of his American heritage.

COMMERCIAL

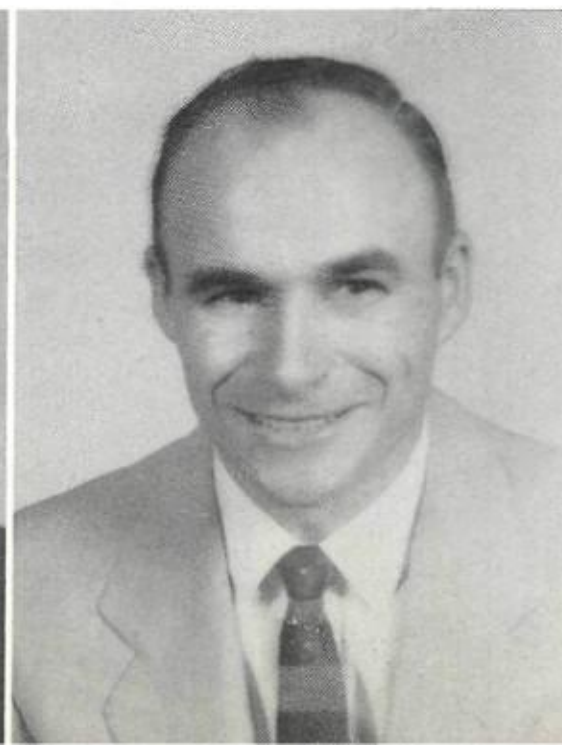

The success of any business depends largely upon the ability of its personnel. Courses, such as typing, bookkeeping and shorthand, train students for positions as efficient business employees. Through a program of office practice, students gain practical experience by working in the various school offices. Students acquire a knowledge of business standards and finance through study of economics and commercial law. Mechanical drawing and shop provide understanding of the technical aspects of business, leading to positions as engineers, architects or skilled craftsmen. Mechanical drawing trains students for jobs involving shape description, tracing and blue printing. Shop encourages development of skills in woodworking, carpentry, cabinet making, designing and decoration.

Typing students practice diligently.

PHYSICAL EDUCATION

Girls and boys alike enjoy the activities of physical education classes. A combination of recreation and competition impresses the student with good sportsmanship and develops his ability to associate with others. Participation in events, such as tumbling, basketball, soccer, baseball and volleyball, aid in the development of stronger bodies. The annual gym show provides all physical education classes with the opportunity to demonstrate their skill in exercises, sports and gymnastics. The physical education department of WFSH emphasizes the principle of a clean mind and a sound body.

TENNIS

A fine tennis program under the direction of Mr. Charles Avera and Miss Joyce Geer interests many in WFSH. Tennis students have at their disposal modern tennis courts and excellent instruction. The WFSH tennis team makes an outstanding showing at tournaments throughout Texas and Oklahoma, often winning trophies and awards for the honor of the school.

HEALTH

The health department of WFSH is a necessary as well as a helpful part of our school. The school nurse, Mrs. R. E. Cole, gives aid to students who become ill.

Health is taught to all physical education students for the purpose of giving essential information on proper grooming, desirable manners and rules for good health. Mrs. Brode Puckett and Mr. Bob Tyler, who teach the course, strive to give the students a desire for both a pleasing personality and the ability to get along with others.

SPEECH

The ability to express ideas correctly and distinctly is of primary importance in the world of today and of tomorrow. The speech department of WFSH gives students the opportunity to develop this necessary talent. In speaking, they not only learn to organize facts and present them in a convincing manner but also gain poise and self-confidence. The student who wishes to enter the field of drama may advance from the Amateur Guild into the National Thespian Society. Those interested in radio and television or in stagecraft find courses available for them. The speech department maintains an excellence that makes it a credit to WFSH.

SED

The Safety Education Drivers' Training course can measure its accomplishments by the reduction of traffic accidents. This course helps the student acquire the habit of safe driving while preparing him for his license. After classroom instruction in driving techniques, the student puts his knowledge to work under careful supervision and in the safety of a dual controlled car. This combination of instruction and practice produces a lasting impression of safety upon the driving student who will strive to make driving safer in this community and state.

ART

The art student in Wichita Falls Senior High acquires skills which may lead to a career or fill many leisure hours with pleasure. The beginning student works on drawing, sketching, printing, painting, clay sculpture and copper enameling. Other students experiment with oil painting and advertising. The art department sponsors *The Coyote* yearbook and undertakes many useful projects, such as recent decorations for Sheppard Air Force Base and colorful posters similar to the ones on Americanism touring the public schools. This department's generous use of its talent adds beauty to the community in many ways.

MUSIC

When mention is made of the school song of Wichita Falls Senior High, the thoughts of everyone turn toward music. Music gives feeling to the school song and creates a lasting impression for each student. The beauty of music is fully enjoyed at WFSH through the efforts of the music department. The school and the community profit from the accomplishments of students in band, choir and orchestra. The achievements of these talented students certainly reflect well the training given them here. The music department of Wichita Falls Senior High is a good example of the reason for the words "Hail to our school!"

The Coyote News

Senior High School, Wichita Falls, Texas

Members of the WFSH journalism class are recommended by their teachers of junior English. In addition to covering beats for the Coyote News and Teen Times, these young journalists complete the regular course of senior English.

Miss Louise Lipscomb, chairman of the Department of English and sponsor of the class, directs students in covering all school activities for both the local newspaper and the school publication.

Teen Times, published each Wednesday by the Wichita Falls Times, is a full page news section devoted to the junior high schools, the academy and the high school. It is prepared by WFSH journalists, edited by Mrs. Larry J. Doing of the Times, and read by Wichita Falls teen-agers and parents.

Quill and Scroll, the international honor society for high school journalists, requires the same scholastic standing for membership as the National Honor Society. Journalism students are chosen for membership in this society after completing one year's work.

Accuracy, judgment, promptness and a wealth of invaluable knowledge concerning the newspaper world are a few of the benefits received through work in this class.

While visiting the Wichita Falls Times and Record News plant, these WFSH journalists investigate the complicated machinery.

Foster Morgan, Lolly Kremer, Barbara Brookner and Larry Tucker, studying the Wichita Falls Times, can vouch for the 36 members of their journalism class who use the daily newspaper as a textbook and laboratory.

The fourth estaters' Christmas party was held at the home of Mrs. Jack Grace, mother of journalist Phil Grace.

A CAPPELLA CHOIR

The a cappella choir, under the guidance of Mr. Thomas Shaw, is one of the outstanding organizations of the WFSH musical department. The choir includes junior and senior students who are chosen from the Mixed Chorus and the Girls' Chorus, two other fine choirs. The seventy-five members of the choir have presented enjoyable, musical assemblies for the students of our school. The choir traditionally appears on the Musicians Club Program at Christmas. Also the choir has represented WFSH well in all contests in which it has participated.

"Variety Plus," the band show, featured the choir in the opening number, and "The Battle Hymn of the Republic," sung by the choir, inspired all present as the show came to an end. The a cappella choir has appeared for numerous civics groups in the city, pleasing all. The work of the choir has truly been appreciated by all who have had the privilege to hear it.

CHORAL GROUPS

GIRLS' CHORUS

The members of the Girls' Quartet include Judy Kay Love, Sharon Hatcher, Gale Wilson and Benny Elderton.

Rod Surratt, Don Coker, Nolan Moore, Jerry Alcorn, Howard Hays, Joe Anthis, Raeder Anderson and Charles Turnbo are members of the Boys' Double Quartet.

In the Girls' Sextet are Sheila Rankin, Nancy Martin, Lorna Gorham, Donna Edmonson, Georganna Fitzgerald and Barbara Veros.

MIXED CHORUS

ORCHESTRA

The orchestra of WFSH, conducted by Mr. Dale Brubaker, displayed its knowledge of music throughout its many performances this year. Among these were the fine assembly for the WFSH students which featured music from the show "Gigi" and a concert at the State Fair of Texas in Dallas. Also the orchestra performed before many civic groups. This organization is composed of fifty-eight students who wish to further their knowledge of music. Twelve members of the 1960 orchestra played in the All-State Orchestra which met at Austin, Texas, this year.

In this picture taken at a rehearsal period, Mr. Brubaker seems disturbed about something. Wonder what it could be!

In this picture, also taken at a rehearsal, Mr. Brubaker seems to be pleased at the sound of the orchestra music. Everything must be running smoothly.

The "Coyote Belles," composed of fifteen girls from the band, presented a high stepping routine.

VARIETY PLUS

One of the main events in the lives of band students is the annual show, "Variety Plus." This year the band chose as its theme "Holiday in New York." The show enthralled the audience by revealing some of the many exciting places of New York City. The witty masters of ceremony are shown above along with the president of the Coyote Band. They are, left to right, Foster Morgan, Barbara Veros, Nolan Moore and Herb Nowlin.

"Honey Bun," Earl Powell, along with his admirers, Alma Grace Reuther, Gwen Guillet and Kay Sanders, paid a visit to the show adding much laughter.

COYOTE BAND

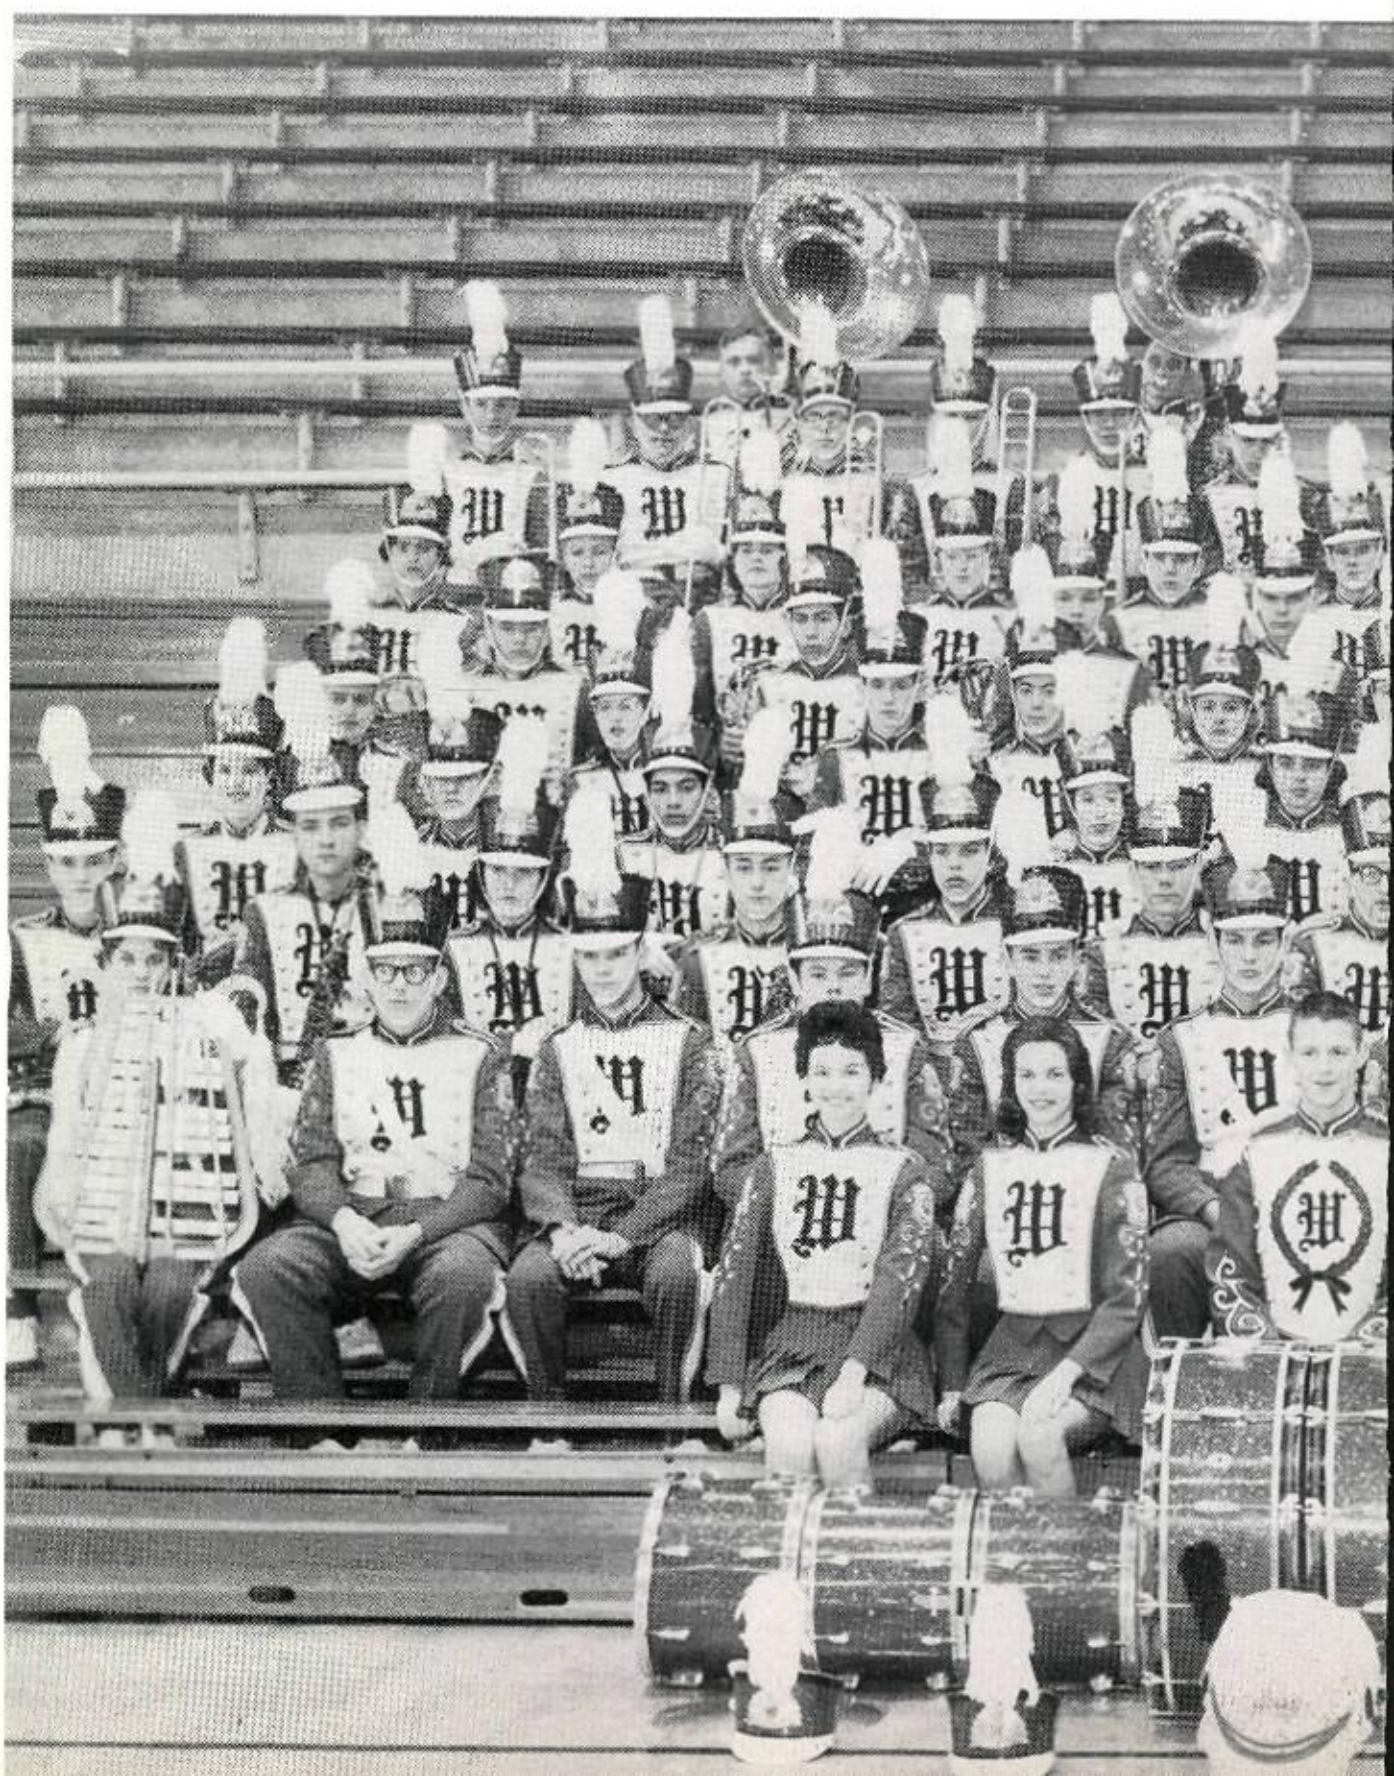

Representing one of the largest groups of students in WFSH, the Coyote band added color and entertainment throughout the year. Besides performing at football games and pep rallies, the band found time to practice its renowned high stepping marching which made it possible to receive a first division rating in the annual marching contest. Other activities of the band were the performances in numerous parades and the presentation of "Variety Plus," the annual stage show. Director of the Coyote Band, Mr. Don Hatch, and his assistant, Mr. Bob Taylor, were very proud of the many fine tasks accomplished by the band. Also they were pleased by the work of the drum major of the band, Charles Hurt, and the splendid routines of Pam Barnes, Brenda Freeman, Lonna Kay Lester, Jan Williams and Judith Hagerbaumer, the majorettes.

Under the guidance of the Fates and the revered celestials, the Gens strives to create for its Roman members a prototype of early Roman society with its slaves, commoners, senators and celestials. During the Roman banquet, the gods and goddesses are honored on Mount Olympus; and at the Floralia, the goddess of spring, Flora, is crowned. "Friendship, Happiness and Knowledge" is the motto of this active club.

PAN AMERICAN STUDENT FORUM

Donna

The Pan American Student Forum, sponsored by the Good Neighbor Commission of Texas, has as its purpose the bettering of relations between the people of North America and their Latin American friends to the south. Three strong notes in this effort toward harmony come from the trio of sponsors, Miss Jane McCulloch, Mrs. Hal Ray, and Mrs. Joe Browning. Highlighting the year's events are the Christmas party at Travis School, the Pan American Day program and the state PASF convention in Austin.

HI-Y

"... to create, maintain, and extend throughout the home, school, and community high standards of Christian character" is the purpose of the Hi-Y and Tri-Hi-Y organizations under the direction of the YMCA.

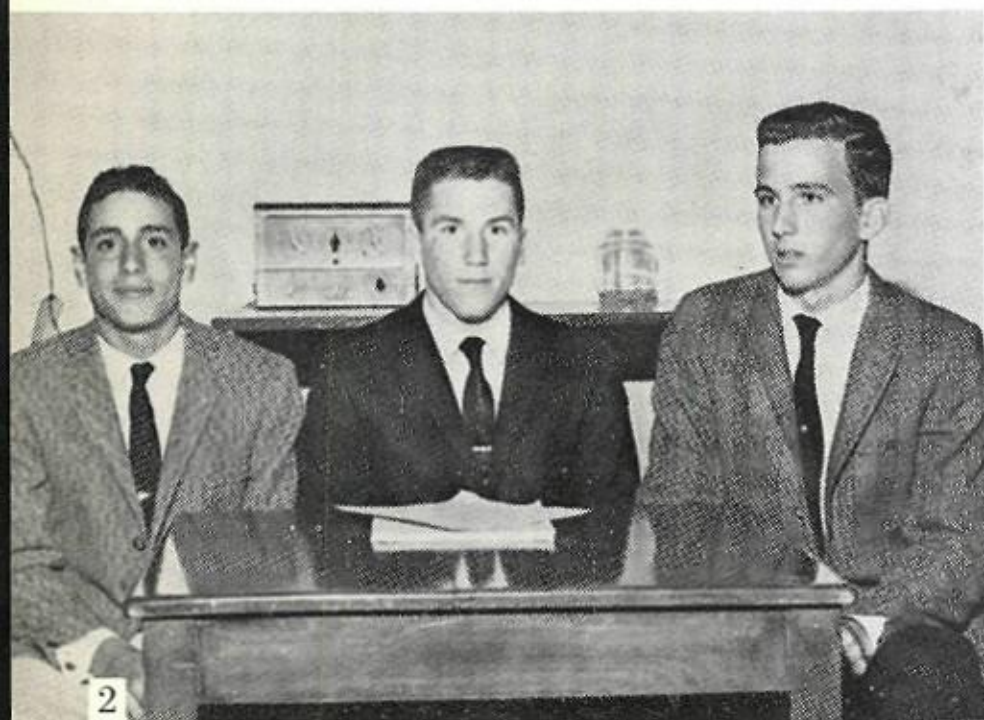

Holding weekly meetings, engaging in a variety of service projects, and sponsoring special parties are all a part of this great organization.

The Coyote Pack, Pink Darling hospital volunteers, baskets of food for needy families and aid to the YMCA in Bangalore, India, are results of efforts in service projects.

Delegates from WFSH attend many southwest area and national meetings. Pre-ledge was held in December at Abilene and Youth and Government in February at Austin. State and National recognition are brought to the students at these meets.

Seven clubs make up the Wichita Falls Hi-Y and Tri-Hi-Y with more than three hundred members. All the clubs work together to uphold the fine purpose of Hi-Y and Tri-Hi-Y.

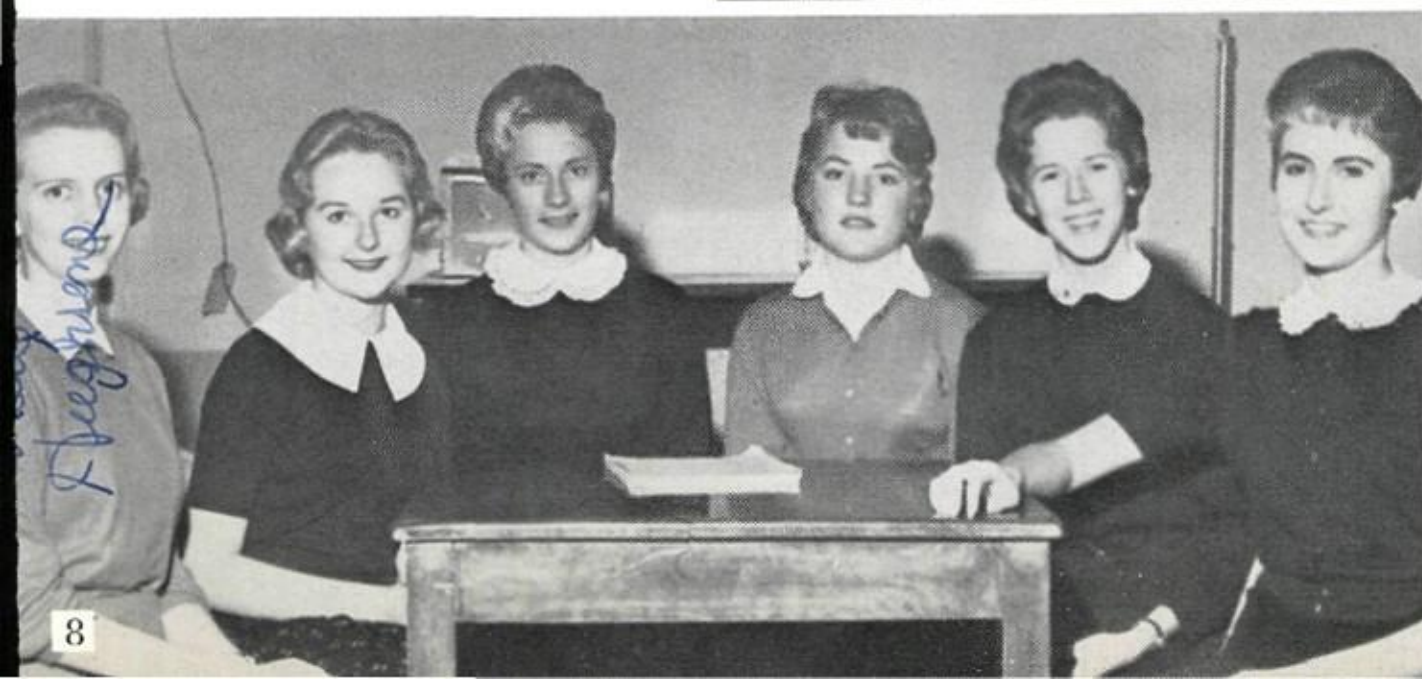

All these activities are a part of the organization that encompasses more and more WFSH students.

SENIOR STUDENT SPONSORS

The Senior Student Sponsors, under the leadership of Miss Helen Grace Gould, act as "friends in need" for new students entering Wichita Falls High School. The sponsors aid these students in adjusting to their new school life and in being successful in their school subjects. The organization sponsors the annual "Howdy Week" celebration.

Pictured below are students and sponsors enjoying the annual party for incoming students, sponsored by the Junior Student Sponsors in co-operation with the senior sponsors.

OFFICE PRACTICE

Office Practice provides an opportunity for WFSH girls wanting to gain practical office experience. They perform jobs including typing, running film machines, giving scholastic tests, showing slides, running stencils and doing many other duties. These services are a great help to both teachers and students.

NATIONAL HONOR SOCIETY

Scholarship is the first and most important prerequisite for membership in this society. Character, leadership and service are then considered carefully and voted on by those for membership in this society. Character, leadership and the candidates. All ambitious and conscientious honor students may be considered for membership in the National Honor Society.

The NDCC Color Guard presents the colors at every home football game and also at special occasions on request of the school. Members are, left to right, Harold Green, K. B. Ward, Tommy Smith, Larry James.

Assisting Major H. D. Byous and Lieutenant C. T. Byers in the office each period are, from left to right: Cherry Waghorne, Sherry Proffer, Barbara Veros and Barbara Sollis. They record, type, file, and perform other duties which are necessary in keeping the records of the NDCC unit in order.

RIFLE TEAM

No corps would be complete without a rifle team. In order to qualify, the cadets must fire a total of 140 points from a possible 175. The team participates in firing matches against other high school corps. The members are, bottom row, left to right: Robert Wells, Bob Spraggins, Ben Comnack, Bill Walton, Harold Cross, Dickie Butler. Standing are Scott Savages, Sidney VanLoh, Harold Green, Jim Holder, Edwin Kuehn, K. B. Ward.

OFFICERS' CLUB

The Officers' Club is of vital importance to the NDCC unit. These senior cadet officers meet to discuss the problems of the corps with the assistance of Major H. D. Byous and Lieutenant C. T. Byers. The officers also prepare lesson plans for future class instruction.

A typical period of class instruction is pictured. Cadet officers instruct all classes in a military manner.

Use of weapons is one of the most important instructional units in the NDCC. Cadets learn how to operate several different types of firearms, in addition to knowing the name and function of every part.

FEDERAL INSPECTION

Every spring the NDCC has its federal inspection. Members of the Fourth Army Headquarters at Fort Sam Houston, Texas, inspect the cadets. Inspecting officers observe the neatness of cadets, precision in group drill, military knowledge of cadets and quality of class instruction.

OFFICERS ACTIVITIES

To relieve the strict military routine, officers hold social activities. Whether they have a dance, a dinner or just a social meeting, the officers, through their ability to organize and cooperate, always have a wonderful time. Also pictured are the dates of the NDCC officers.

Principal O. T. Freeman served as chairman of the initial District 4A Sportsmanship meeting at Grand Prairie. School officials attending included, left to right, Julius Bussey, principal of Birdville High School; Tom Holley, principal of Grand Prairie High School; H. H. Chambers, superintendent of schools at Grand Prairie; James W. Martin, superintendent at Arlington and Ed Williams, principal at Irving High School.

SPORTSMANSHIP

For the purpose of rewarding the schools for good sportsmanship displayed and for encouraging its growth, a sportsmanship plan was adopted by the officials of District 4A schools including Wichita Falls, Arlington, Birdville, Irving and Grand Prairie.

Principal O. T. Freeman, Texas Interscholastic League chairman of District 4A stated, "It was the thought of school officials that we needed a plan to bring schools, students and fans closer together."

Rating the sportsmanship of fans, students, players and officials with the awarding of sportsmanship trophies at the end of the football and basketball seasons was the plan originated by officials of the five-school district. Birdville High School won the first award at the end of the football season. At the time of this publication, the basketball season had not yet ended.

The rating committee from WFSH included Caren Harvey and Raeder Anderson, representing cheerleaders; Suzanne Story,

president of Homeroom Representatives; Chris Harvey, vice president of the senior class; Ernesta Samsill, Lolly Kremer and Polly Baber, representing Coyote News and Teen Times; Travis Reagan, captain of the Coyote football team; and Herbert Nowlin, band president.

WFSH faculty members and officials participating, four of whom were on the rating committee, included O. T. Freeman, Don Hatch, band director; A. D. Neal, dean of boys; Miss Helen Grace Gould, dean of girls; Daryl Bankston, high school instructor and Coyote annual photography advisor; and Mrs. Larry J. Doing, education editor for the Wichita Falls Times and member of the Wichita Falls board of education.

Herbert Nowlin, in a sincere and moving response for the the students said at the sportsmanship awards dinner, "Sportsmanship is democracy in action. It is not whether we win or lose but how we do it."

Shown greeting H. H. Chambers, superintendent of Grand Prairie schools, at the initial Sportsmanship meeting at Grand Prairie, were, left to right, Raeder Anderson; Johnny Wells, president of Birdville High School's student council; Suzanne Story, Caren Harvey, Chris Harvey, Ernesta Samsill, Lolly Kremer and Herbert Nowlin.

Shown talking with three of Arlington's cheerleaders at a pre-game Sportsmanship dinner are Raeder Anderson, Jo Parker, John Sitler, Bill Yates, Barbara Sollis, Polly Baber, Caren Harvey and Herbert Nowlin.

Come and get it! Beans, anyone?

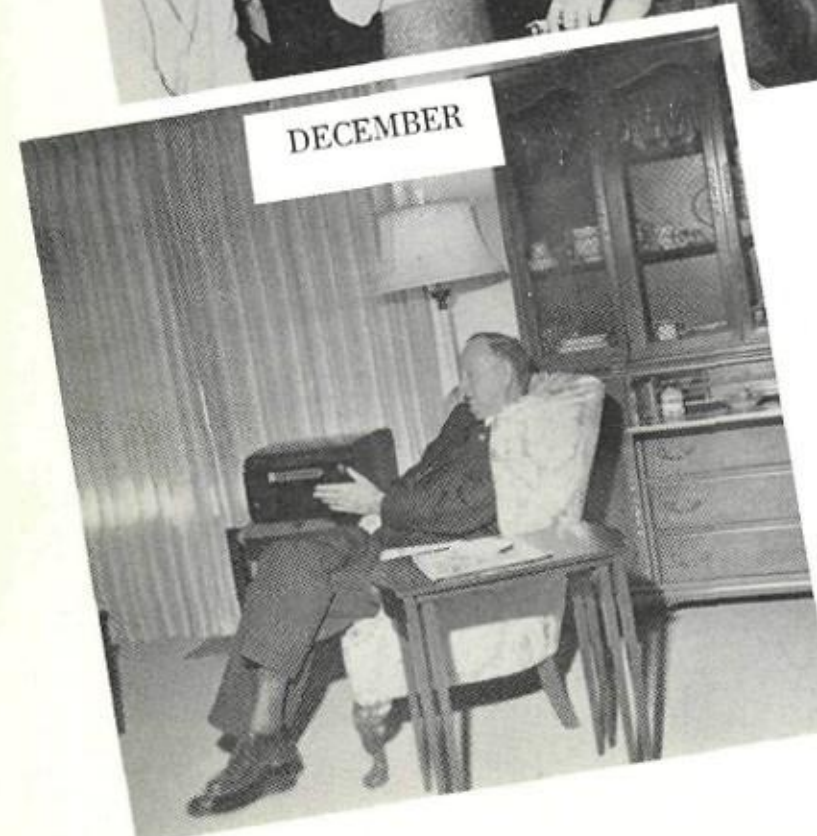

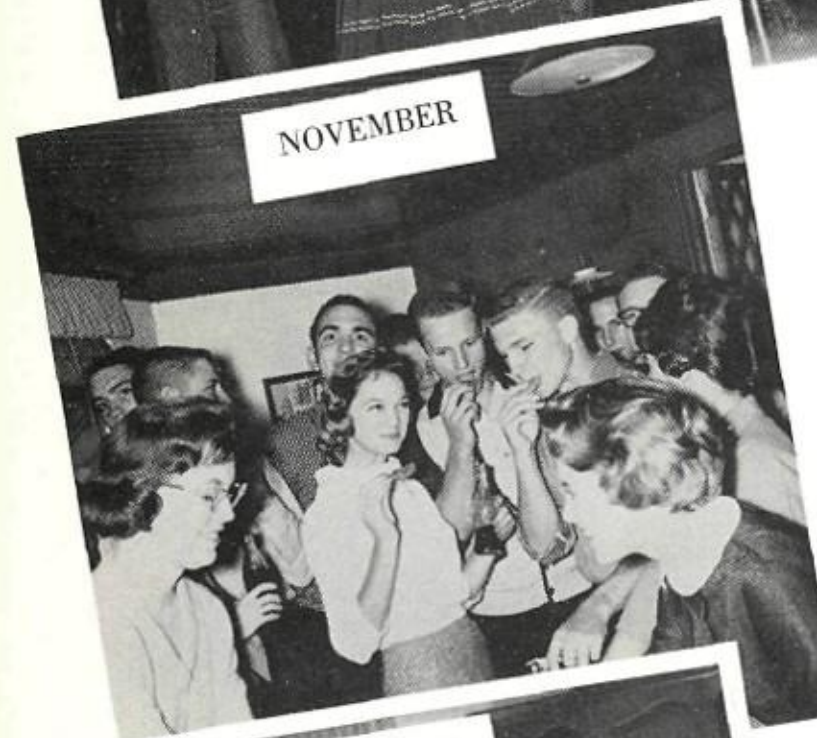

Herbert Nowlin gave an inspiring talk on student response to the Sportsmanship plan.

Representing the District 4A schools at the dinner at Grand Prairie were these student representatives: left to right, Steve Kerr, editor of the Birdville school publication; Lolly Kremer, Teen Times and Coyote News representative; Raeder Anderson, cheerleader; David Crandall and Nick Laird of Birdville; Herbert Nowlin, band president; Darryl Campbell, Arlington band president; Caren Harvey, cheerleader; and Sandra Elmore of Grand Prairie.

MAINTENANCE

Custodians pictured here are Roy G. Oakley, Sargent P. Ferguson, Frank C. Ballard, Willie D. Shelton, Charlie E. McCalip and Lawrence Stone.

Fastest gun in WFSH — the nightwatchman, Mr. John Seward.

Completing the staff of custodians are Joe B. Brown, L. L. Haley and Edgar L. McCarley.

The vast facilities of WFSH create many problems for the custodians who must keep the building clean and operating properly. The range of their responsibility is large. For example, they must keep the building neat and clean, operate the heating system, repair student lockers, keep drinking fountains in good condition and maintain the school grounds. As these men perform their various duties, they provide a valuable service to WFSH.

Headed by Mrs. Nell Riley and her assistant Mrs. Dorothy Wilson, the cafeteria staff includes Mrs. Effie Askew, Miss Olga Buerger, Mrs. Sallie Burns, Mrs. Opha Chastain, Mrs. Loice Dennis, Mrs. Clara Gresham, Mrs. Lela Haley, Mrs. Alvina Hancock, Mrs. Ann Herring and Miss Vida Holder.

Also included are Mrs. Bessie Hood, Mrs. Bertha Hunn, Mrs. Margeret Long, Mrs. Viola McDonald, Mrs. Hester Monarch, Mrs. Edna Spatswood, Mrs. Irene Stone, Mrs. Inez Taylor, Mrs. Virginia Taylor, Mrs. Susan Underwood, Mrs. Myrtle Wolf, Mrs. Maxine Wright and Mrs. Lee Esther Wright.

CAFETERIA STAFF

The cafeteria, which many consider the most important part of WFSH, is probably the busiest place in Wichita Falls during its rush hours from 11:50 a.m. until 1:50 p.m. The competent and efficient cafeteria staff, varying between twenty-five and thirty members, serves more than 2000 students and teachers during these two frantic hours, which are divided into five lunch periods of thirty minutes each. Approximately 400 students move through the five lunch lines and finish their nourishing meals each period.

Feeding all the students of WFSH in two hours is a marvelous feat of engineering; and a well-trained, hard-working staff is necessary for this achievement.

The cafeteria staff operates efficiently under the direction of Mrs. Nell Riley, who is assisted by Mrs. Dorothy Wilson.

COYOTE BANQUET

Clever table decorations were admired by each couple.

Tri-captains, Mickey Hamilton, Travis Reagan and Dickie Turner, express satisfaction as Travis models a new jacket.

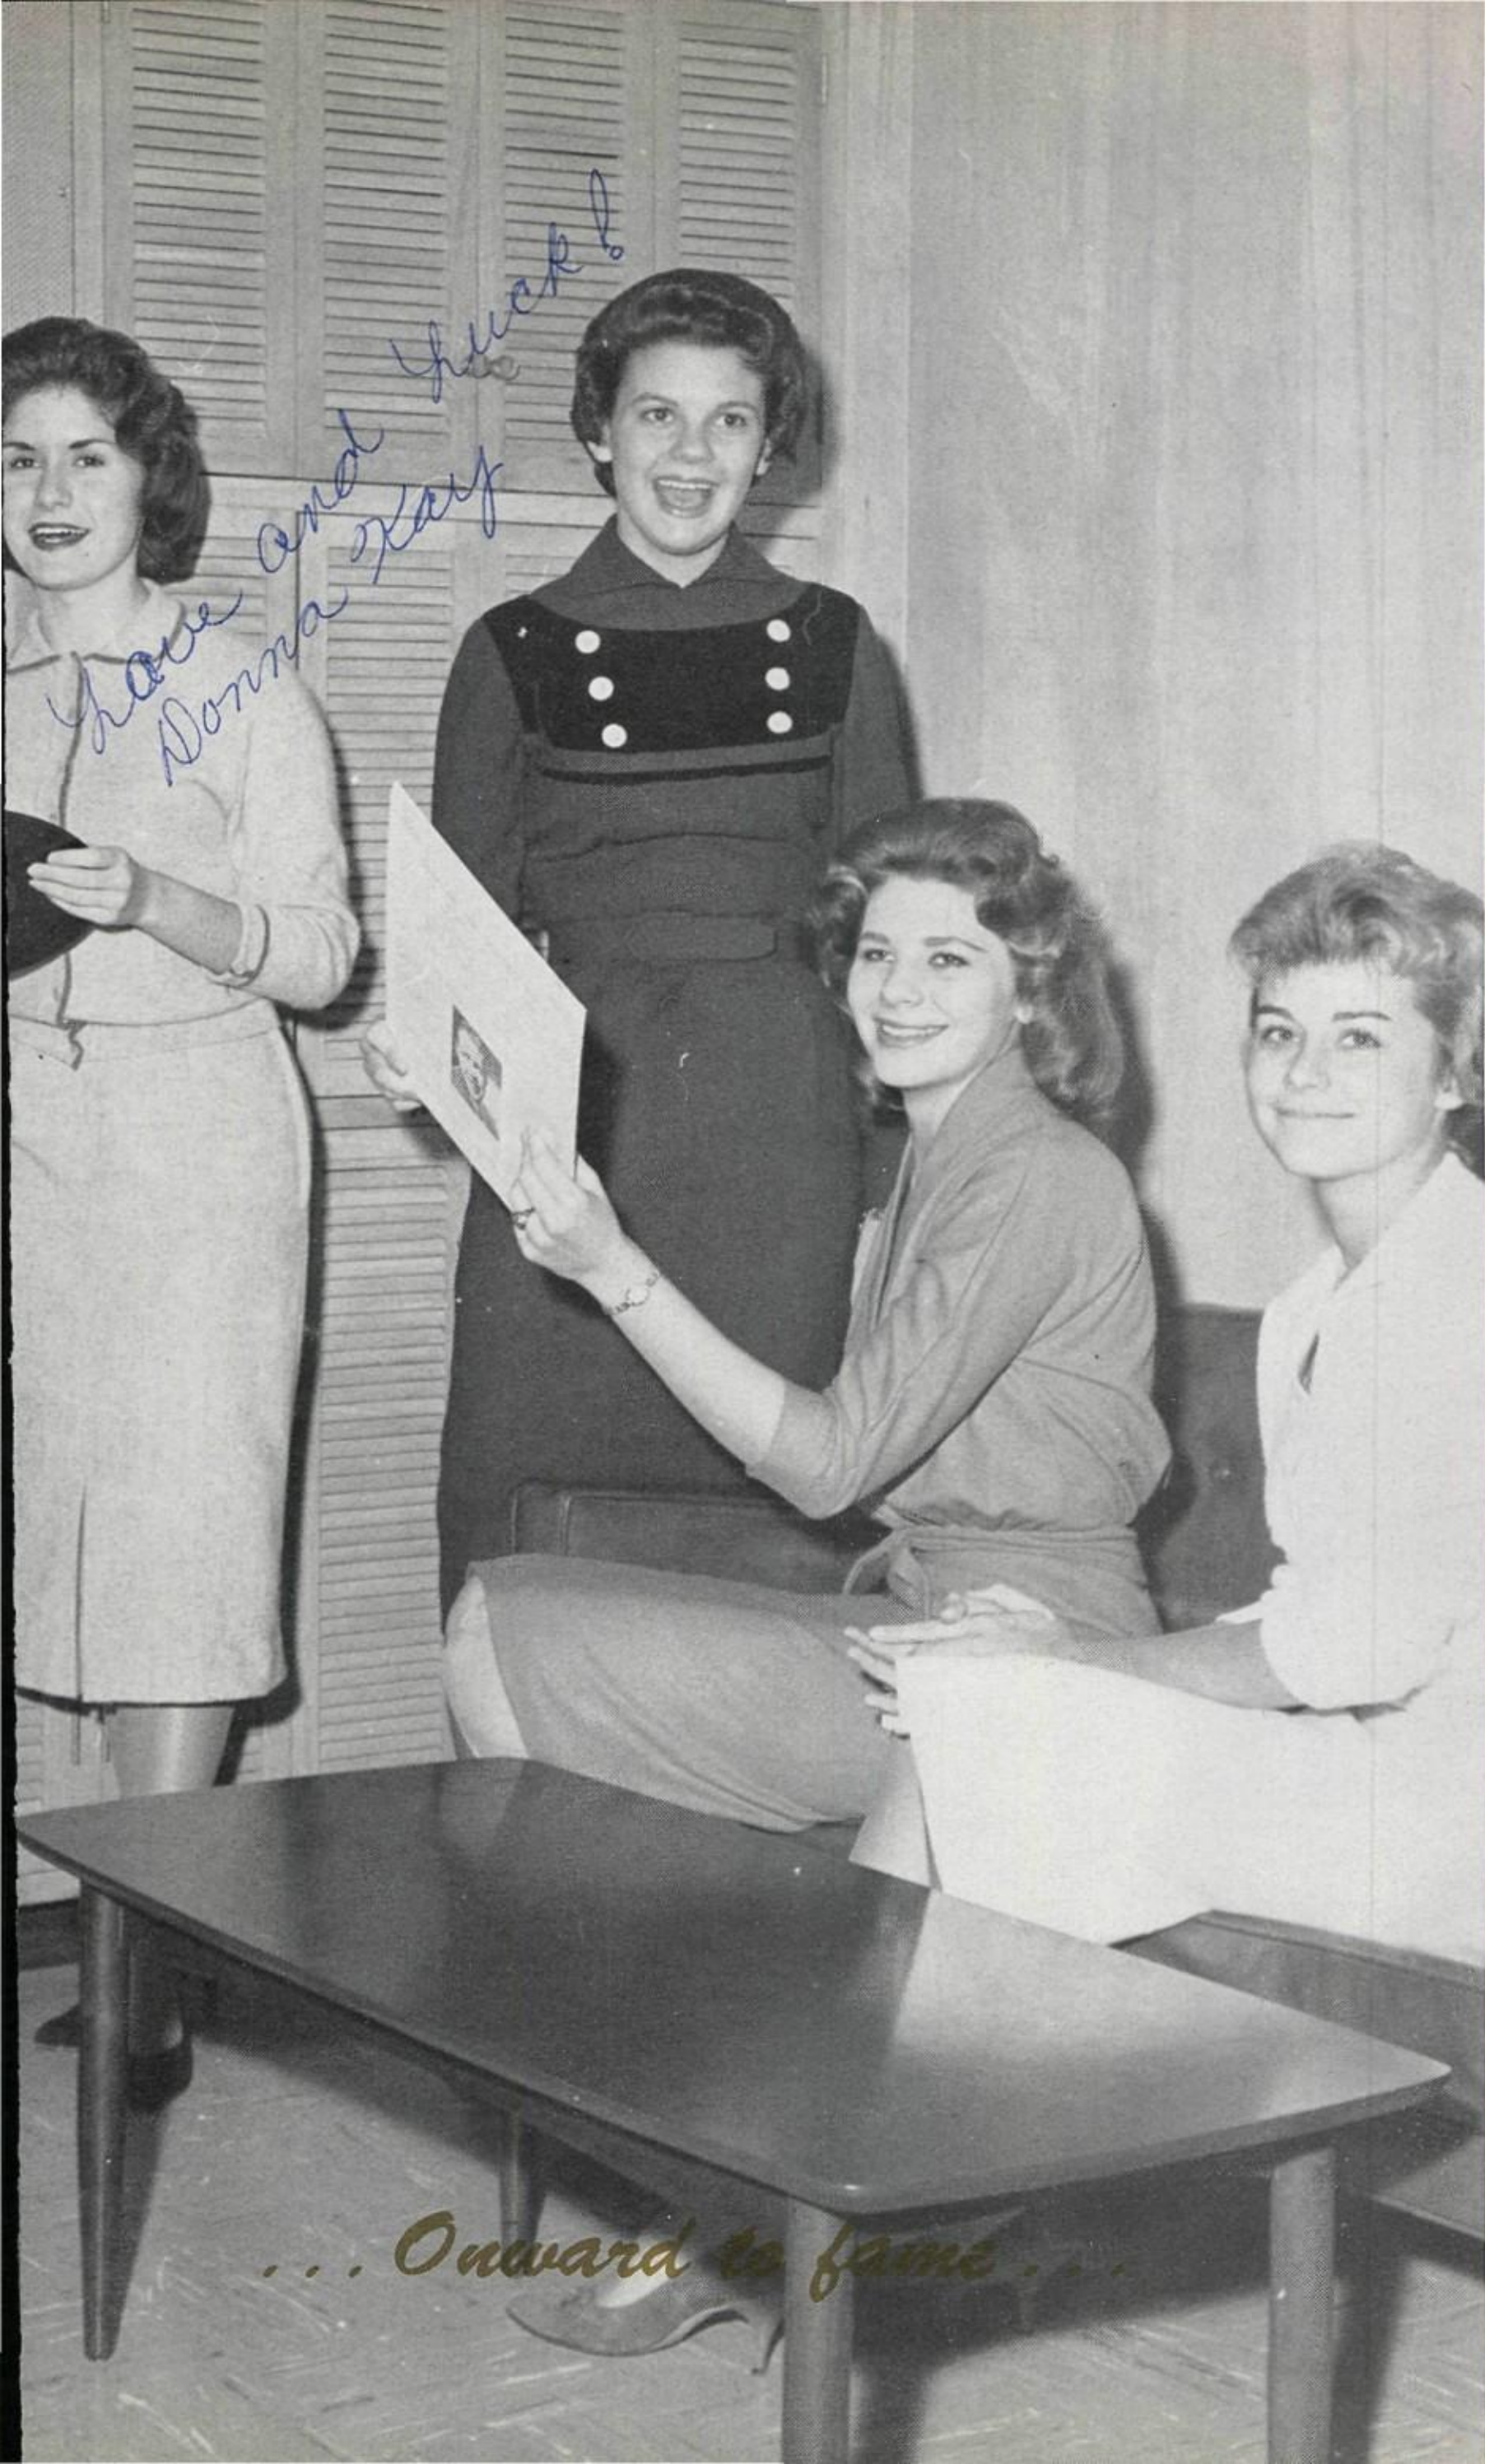

In January the annual football banquet and dance honoring the Wichita Falls Coyotes climaxed the end of a successful football season. Following the toasts, the presentation of jackets to the team and cheerleaders highlighted the event given by the Coyote Mothers Club in the Wichita Falls Country Club.

After presentation of awards guest and honorees enjoyed dancing.

Coyote parents, Mr. and Mrs. Harold Jones and Mrs. R. L. Burnam, acted as chaperones.

Have and
Donna Ray
luck!

1959 COYOTES

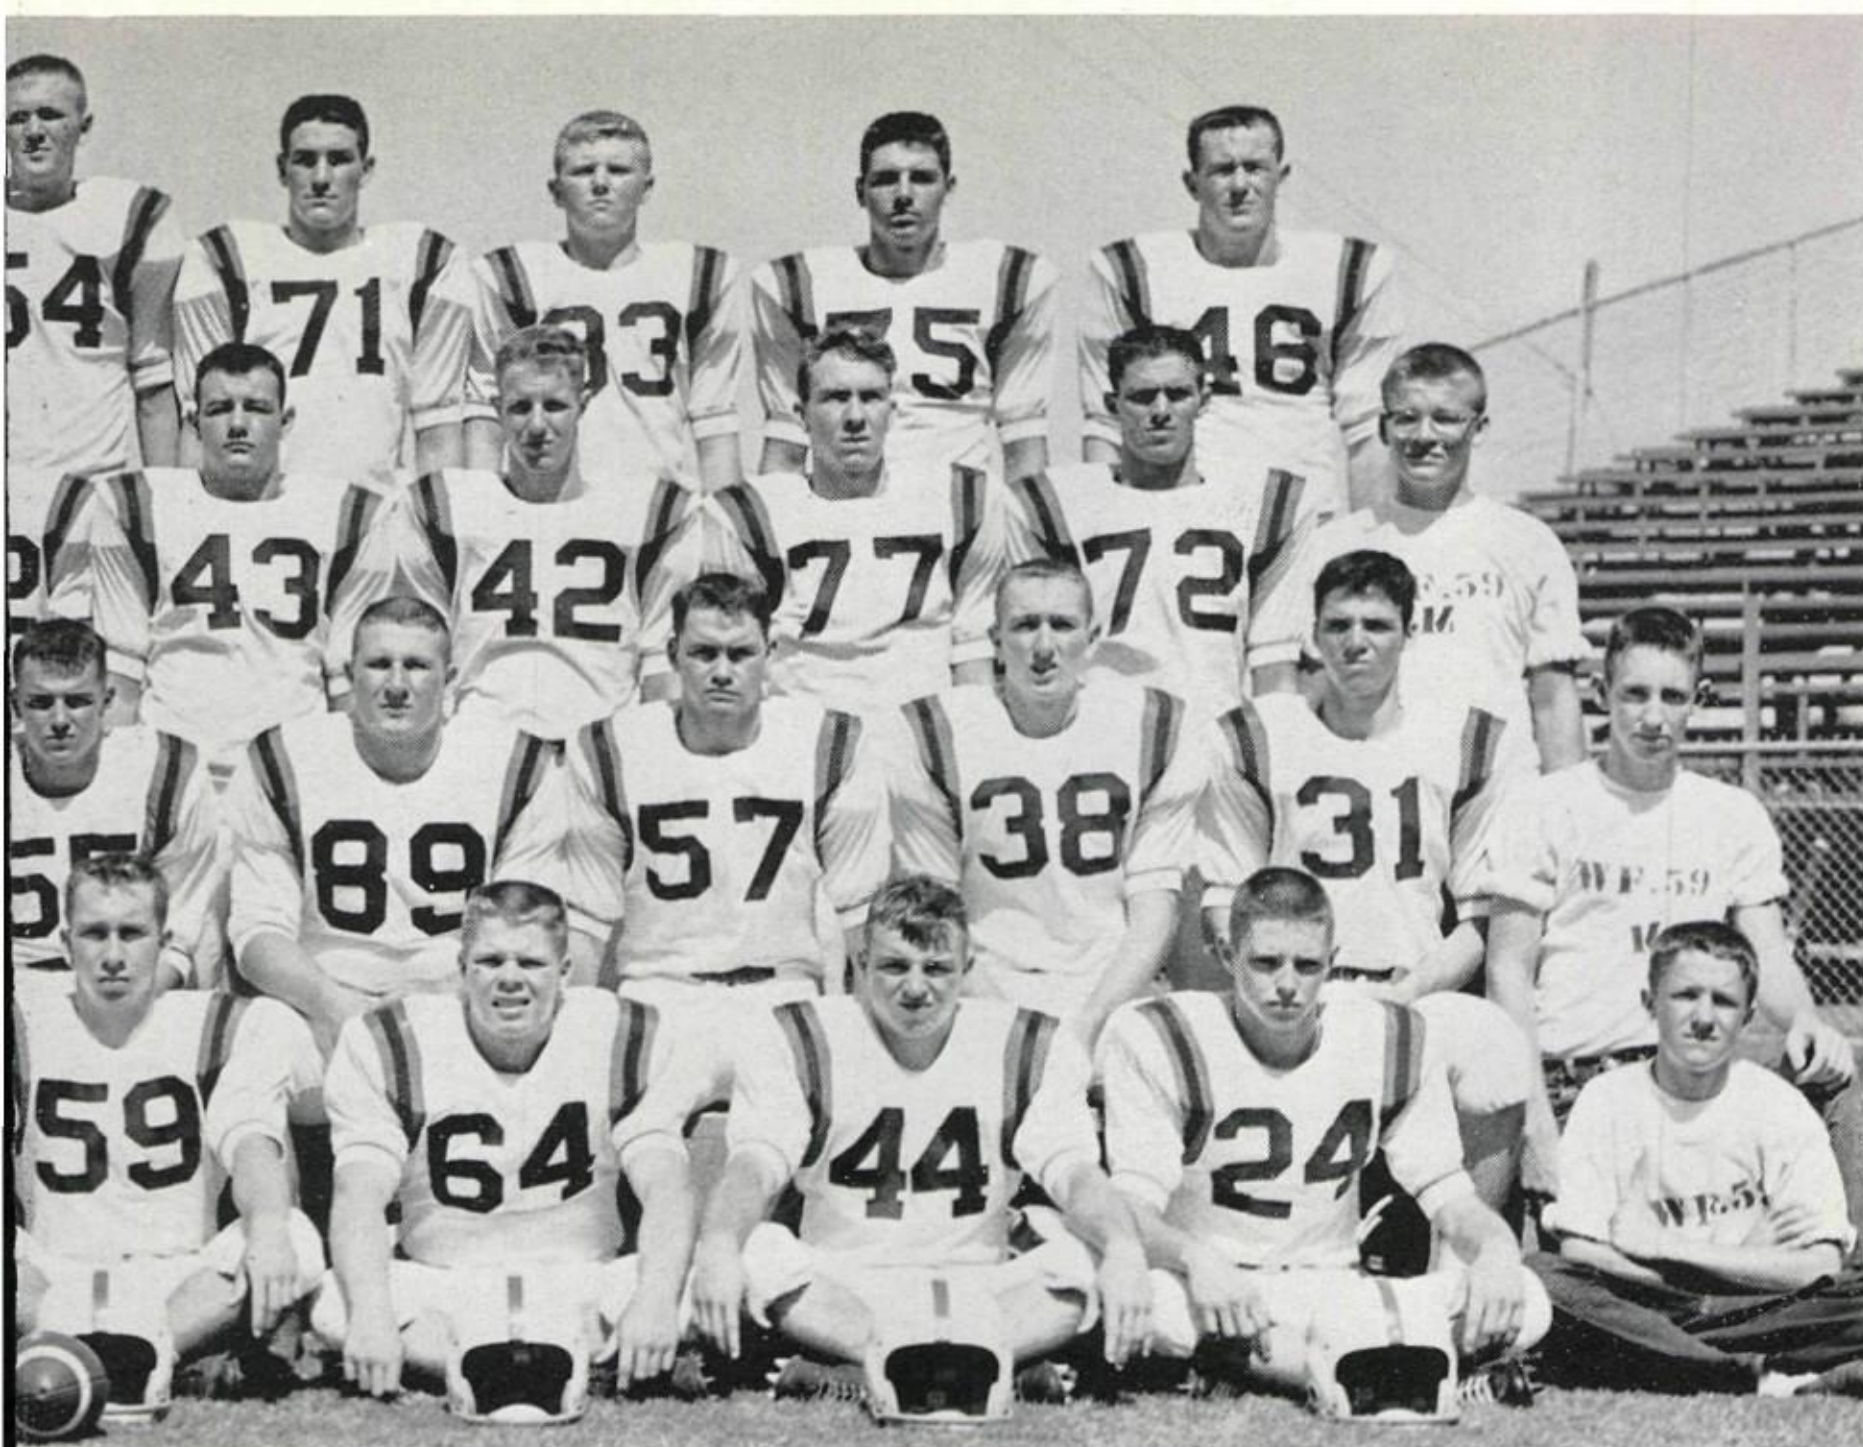

TEAM

Using a splendid multiple offense and a rugged defensive platoon, the 1959 Coyotes established for themselves a highly respected 12-won, one-tie, and one-loss record. An early season tie with Breckenridge and the heart-breaking loss to Corpus Christi Ray in the final game were the only blemishes on the excellent record. The coaches' tremendous belief in these boys and the players' determination to win earned them the right to play in the "big one" in Austin December 19.

After the Breckenridge game came the Fort Worth Poly and Vernon teams that fell easily under the hard driving force of these boys in the red and black. Then came Odessa, highly touted and always tough. This team felt the weight of the never-ceasing single wing and fell 27-0. The Buccaneers of Corpus Christi were next. The

Bucks were tough, but the Coyotes were tougher. Utilizing a wide variety of plays, the Coyotes won 19-14 in a thrilling game.

The Coyotes entered district play, undefeated, once tied, and ready to battle for the district crown. The first game was with the Irving team on its home field. The game was played in the mud and progressed slowly but surely. The Irving Tigers went down in defeat 27-0. Arlington was undefeated and untied when its team met the Coyotes. The Colts went down in defeat, 20-6, despite a hard battle and brilliant play. Corpus Christi Ray, Breckenridge and Arlington were the toughest foes met by the Coyotes. Birdville was crushed 50-0 in sub-freezing weather and 30 m.p.h. winds. When the Coyotes played Grand Prairie on Homecoming Day in Grand Prairie, the Gophers gave

FIRST ROW: David Humphrey, David Fowler, Travis Reagan, Roger Richardson, Clifford Taylor. SECOND ROW: Sammy Copeland, Bennie Shields, Don Coker, Herbie Carr, Garland Weeks, Wallace Hardy. THIRD ROW: Norman Harris, Gerald Gant, Dickie Turner, Charles Clines, Gary Robinson, Kenneth Blevins. FOURTH ROW: Hardy McAlister, Ronnie Strange, Robert Gray, Larry Shields, Joe Molock.

CLASS 4A STATE FINALISTS

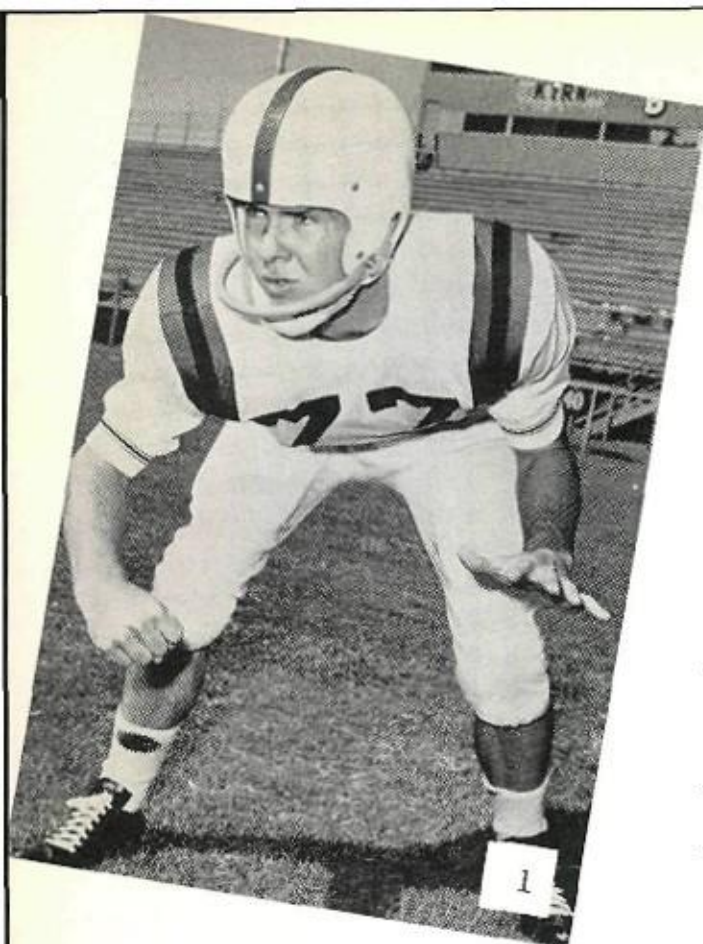

the Coyote fans a real scare by forging ahead 12-0 in the first quarter. The Coyotes regained their strength and turned the game into a one-sided affair. The Coyotes were undisputed District Champions and had earned the right to enter the play-off games.

The bi-district game, which brought Amarillo here to meet the Coyotes "in the canyon," was played on the Saturday after Thanksgiving. A slow first half spurred the Coyotes on to a wild second half. The Coyotes scored 34 points to their opponents' 6 points for the final score. The mighty Eagles of Abilene flew into town the next week bent on revenge. A beautiful day and a capacity crowd saw the Coyotes come from behind to win over the Eagles 26-12.

The Coyotes were one of only four semifinalists remain-

ing in the State 4A football race with Corpus Christi Ray, Port Arthur and Fort Worth Carter Riverside. Saturday, December 12, the Coyotes of Wichita Falls and the Eagles of Fort Worth Carter Riverside faced each other in Coyote Stadium. The Coyotes made short work of the Eagles in the second half, defeating them 27-6. Again the right to play in the state finals was earned by the Coyotes. The game was played in Austin between the Texans of Corpus Christi Ray and the Wichita Falls Coyotes. The Coyotes displayed tremendous effort and desire to win but could not crack the strong Texan team's defense until late in the game. Ray won 20-6.

Throughout the season the fans, cheerleaders, faculty and students backed the Coyotes all the way.

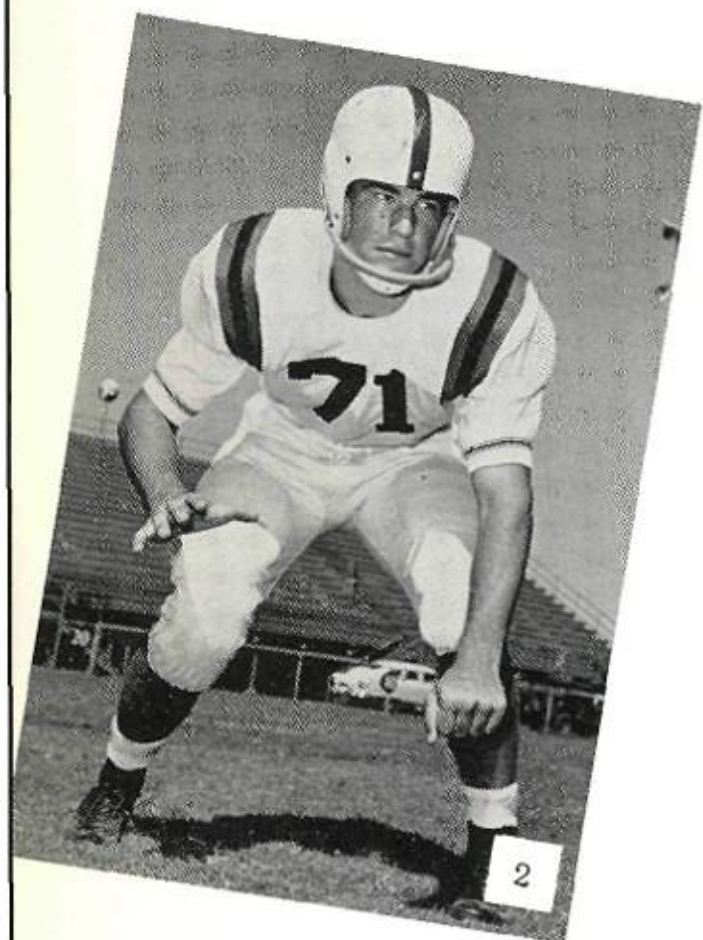

COACHES

Ever ready with a firm, but kind, word for the mistakes, a sincere smile and warm handshake for a job well done, our coaches have ever more endeared themselves to all Coyotes.

Leading the team again to the state finals, Coaches Golding, Kirkpatrick and Goolsby have further proved themselves fine coaches in doing well the job of training young men to work and play, to win and lose as gentlemen.

TRI-CAPTAINS

An important reason for the Coyotes' success this year was the leadership and inspirational actions provided by the Coyote tri-captains. These leaders set the fine example followed by the members of the Coyotes on and off the playing field. Dickie Turner, Travis Reagan and Mickey Hamilton are to be commended for their outstanding record this year.

MANAGERS

As the season progresses and also after it is over, the Coyote players win fame and acclaim, but three members of the team are often overlooked. These three are the Coyote managers whose assistance is valuable to the team. They work hard all week readying equipment and uniforms, doctoring cuts and bruises, and bolstering the morale of the players. No one appreciates them more than the Coyote players themselves. Congratulations are in order to Wallace Hardy, Kenneth Blevins, and Clifford Taylor for their outstanding loyalty and devotion to the team and school.

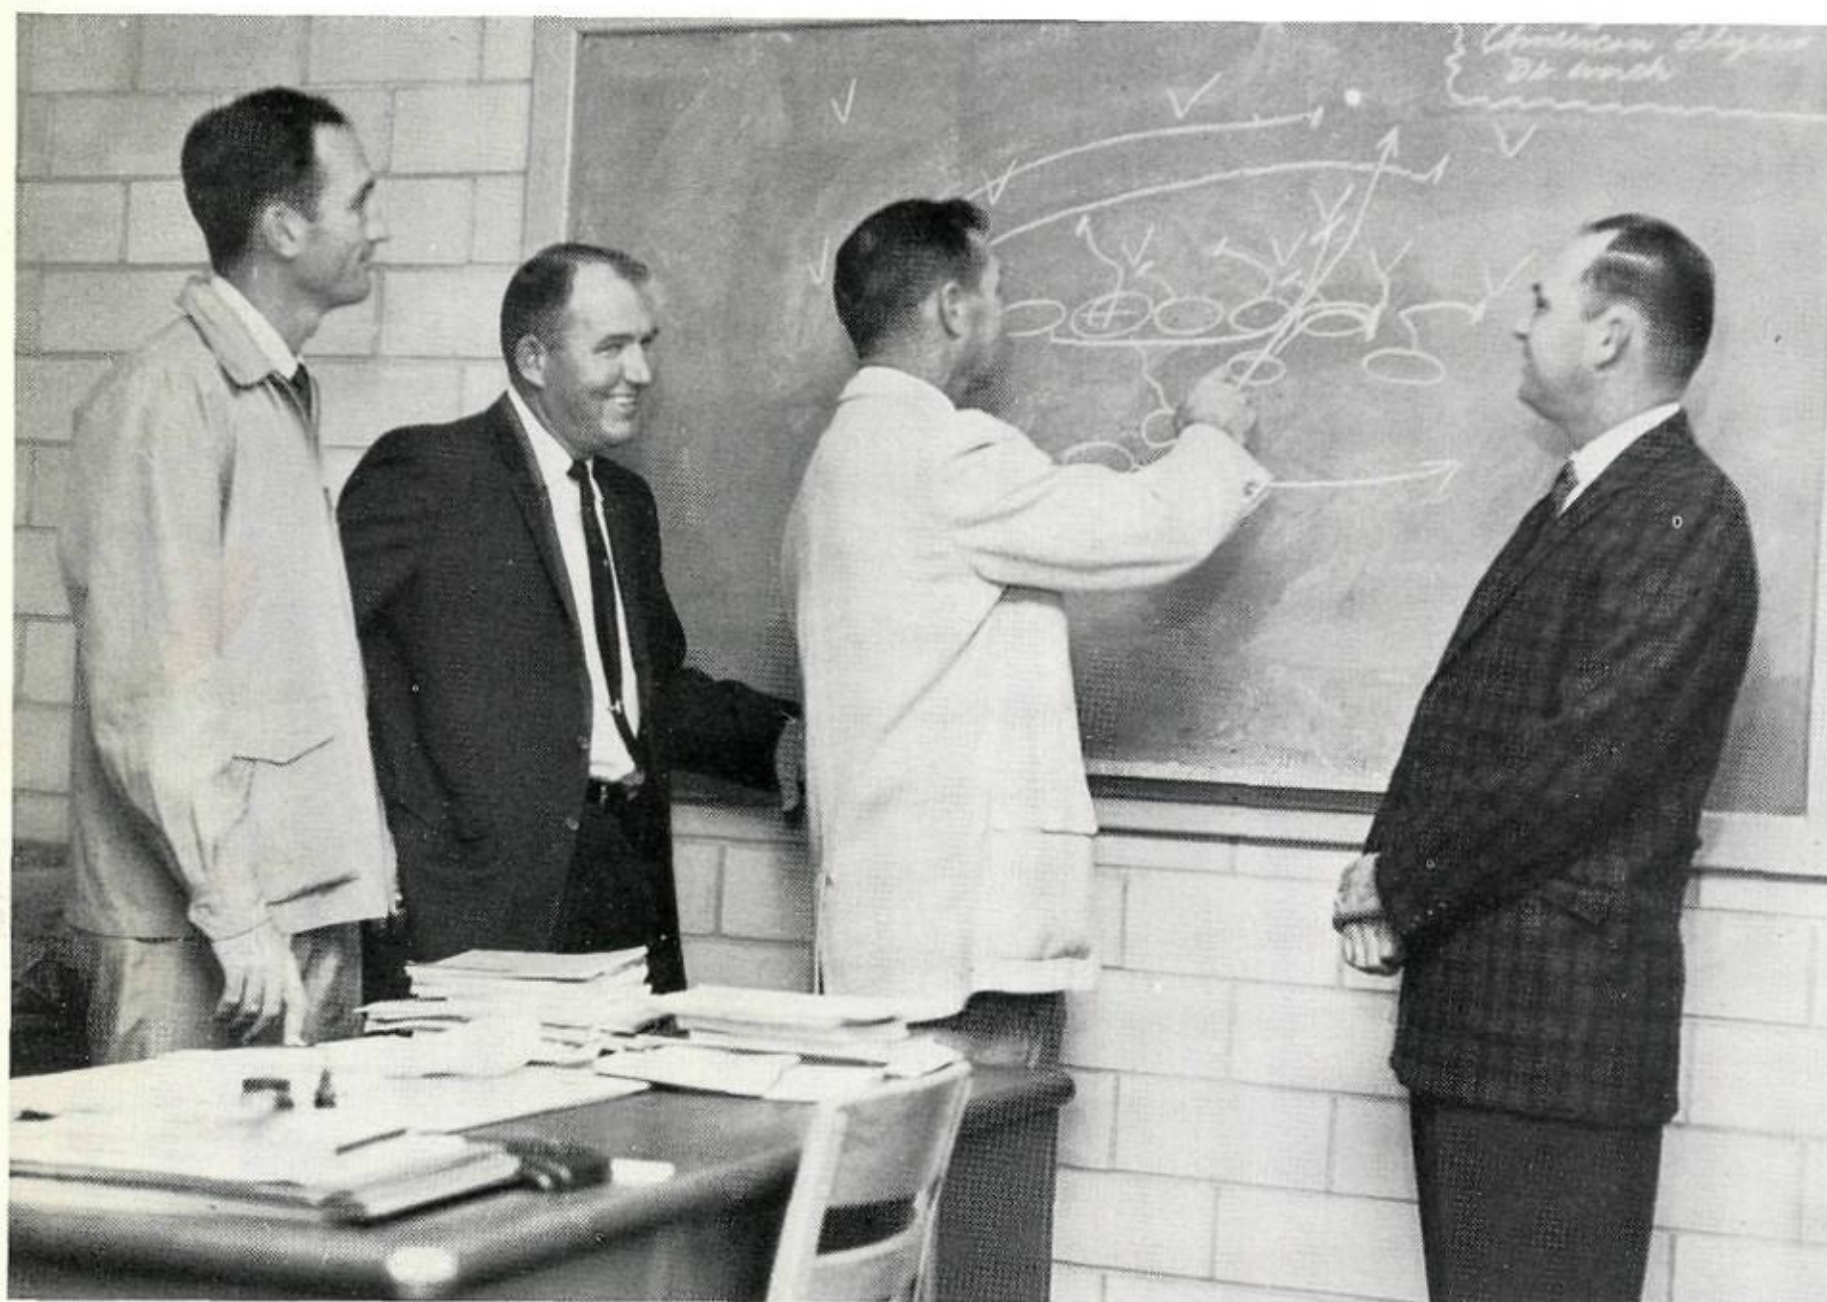

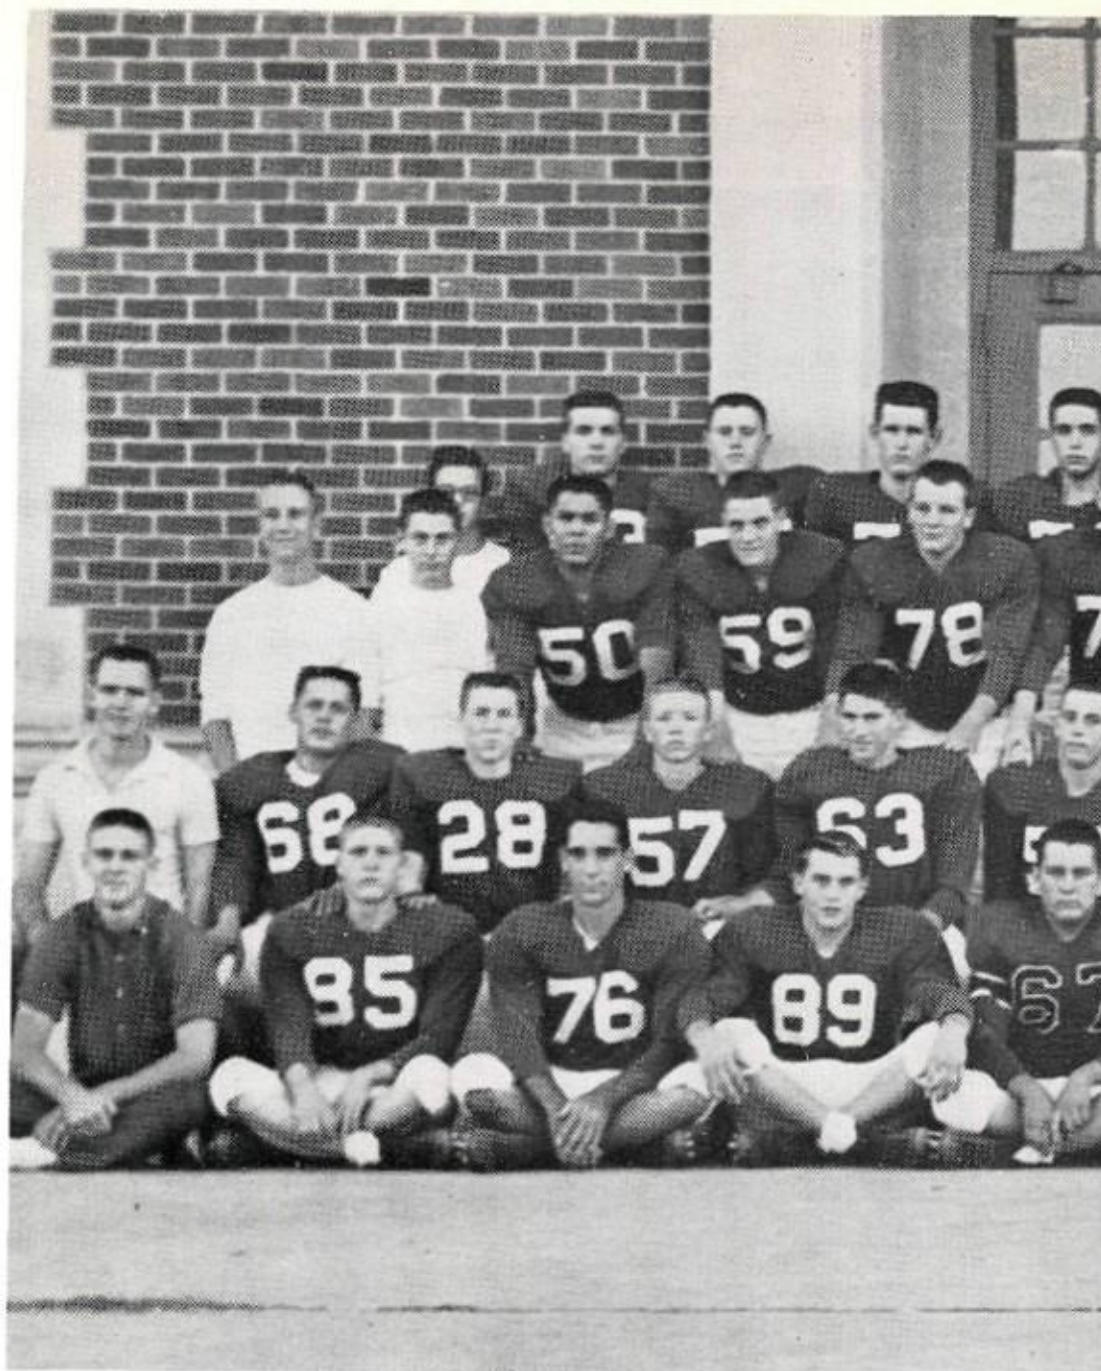

"CLYDE"

One individual that is overlooked each year during the excitement of the football season is the stadium caretaker, Mr. Clyde Greaves. The cleanness of the stadium grounds and fine turf of the field are the direct results of the work done by this one man. The Coyote team, coaching staff and students are grateful for a job well done.

ROWDIES

The brilliance of Coyote victories this year has many times obscured the achievements of the team's sophomore counterparts, the Rowdies. Superbly coached both physically and mentally by coaches Joe Bob Tyler, Donell Croslin, Mack Keck and Herb Marvel, the Rowdies rolled up a season's record of eight wins and one loss. The only loss was to a Marlow, Oklahoma, team that went on to state championship. The Rowdies ran up a total of 354 points and allowed only 102 points to their opponents. All in all, it seems that there will be an able supply of good men as replacements for the Coyote June graduates.

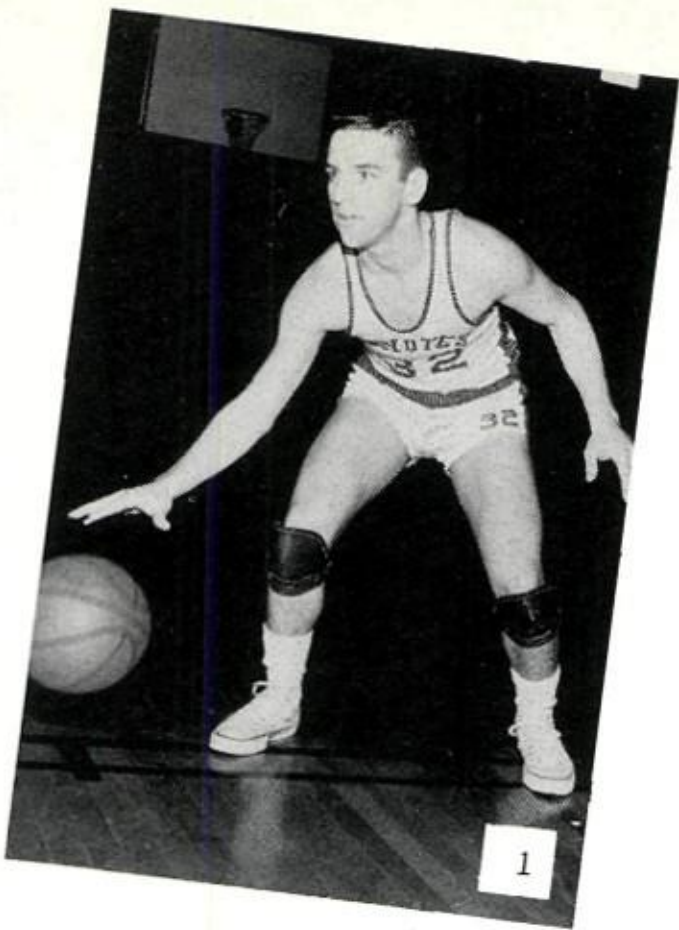

Left to right: Coach Kirkpatrick, Mike Marley, Jimmy Davidson, Robert Gray, Jimmy Castledine, Don Denim, Harold Goodgion, Bill Presson, Royce Harnsberger, David Williams, Joe Blevins, Jimmy Jackson, Jerry Pipes, Coach Goolsby.

1960

The Coyote swimming team, under the direction of Coach Paul M. Strong, is compiling a fine record. In the first real test, the Wichita Falls Invitational, the Coyotes placed fourth. The Coyotes placed fifth in the University of Texas swimming tournament competing against 24 talented teams, losing fourth place to Spring Branch, Dallas, by only one point. The team went on to gain fifth in the Highland Park meet. In the SMU Tank Relays held in Dallas, the Coyotes placed fifth after a day of hard swimming.

... We'll honor your name.

Rosemary,
 I won't take
 up a lot of room
 but I would like
 to say that I sincerely
 hope you make the top
 in whatever your attempt.
 Of course with your sweetness
 I don't know how you could
 do anything but make the top.
 Best of luck always,
 Ann Stuber

Rosemary,
 Hi! There!
 You're like a wonderful
 friend to know. I have enjoyed
 knowing you this year and I
 have had a wonderful time in
 gym with you this year. Keep
 your sweet personality and you'll
 go far in life. May God
 bless you always.

Patricia Parks

Rosemary,
 You are a sweet girl and
 I have enjoyed knowing
 you very much. Don't
 a half next year and
 don't forget those great
 moments of 1960.
 Ann McWilliam

Dear Rosemary,

It's almost the end of another high school year — we've been together for the past eleven, and I hope we will continue to be good friends for the next 180 (at least). It has really been fun, too. You are a very sweet and pretty girl. Stay just as you are and you'll always have the best of everything! (Rex likes you, too.) Next year's our last in dear old W F S H (goody, goody). Here's hoping it will be just as much fun as this has been. Good luck in everything you try —

rough, loose, and colloquial (tilly isn't it?)

May,

Dear Rosemary,
Remember me when this writing
you see, though many miles
apart we be, perhaps with
you this book may be found
when I'll be no more on
Texas ground. I was nice
knowing you as our

Dear Rosemary,

It's been great suffering
through chemistry with
you this year. We may
make it yet. You're a
really wonderful girl to
know and I hope the very
best to you our senior
year.

Love,

Rosemary,
all those times Miss
Milnor told you to
cover your paper
during tests were
for my benefit, but
don't worry I didn't copy
from your paper. (much)

Dear Rosemary,

Well it finally looks like we
made it through chemistry.
I have really enjoyed meeting and
knowing you this year. I think you
are a very fine girl with a great
personality. All the luck and happiness
in the world to a sweet girl

Dear Rosemary,

There isn't much to say but the same old thing but it really has been a lot of fun knowing you this past year and having you in my English and Gym classes. We have had a lot of fun and I surely hope that we are together next year. Think about me during the summer, while I am in summer school studying away ^{and} while you're out swimming, skiing etc. Anyway, may you have the best of luck and happiness that you deserve.

Dear Rosemary I have had a
very busy time in England
and have been in London
for the last few days. I
am now in the country and
am very happy. I am
writing to you to tell you
how much I love you and
how much I miss you. I
am sure you are well and
happy. I am sure you are
very busy. I am sure you
are very happy. I am sure
you are very busy. I am
sure you are very happy.

Rosemary! You are a very
sweet girl and all
the nice things that
you give me are
just what I need. I
love you so much. I
am sure you are very
happy. I am sure you
are very busy. I am
sure you are very happy.

Rosemary,

It was really keen fun
 being in gym class with you
 and sharing that stubborn locker.
 You are really a great girl and to
 tell you how great - well I'm
 sort of short on space - but not
 on adjectives. Anyhow, good good luck
 and the best of life to you,
